2025 Consumer Confidence Report (CCR)

Annual Drinking Water Quality Report

The Town of Rising Sun, Maryland

We're pleased to present this year's Annual Drinking Water Quality Report. This report is designed to inform you about the quality of the water and services that we deliver to you every day.

Our goal is to always provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water treatment process and protect our water resources. This report covers the period of January 1, 2024, through December 31, 2024.

As a general background, your water comes from the Chester Water Authority interconnect (CWA). The Annual Drinking Water Quality Report for CWA is available on our website.

For additional information about your water, you may contact Gary Gutierrez, Water System Operator, 410-392-6637, or you may attend a public meeting of the Mayor and Commissioners.

The meetings are held on the second Tuesday of each month at 5:30 PM at the Rising Sun Town Hall. A source water assessment is available upon request. A source water assessment was performed by MDE and is available on their website, https://mde.maryland.gov/programs/Water/water_supply/Source_Water_Assessment_Program/Pages/by_county.aspx or mde.maryland.gov.
