Cecil County, Maryland

AN ORDINANCE OF THE TOWN OF RISING SUN, ("TOWN") CECIL COUNTY, MARYLAND, AMENDING EXISTING ZONING DISTRICTS AND CREATING AND DEFINING NEW ZONING DISTRICTS AS RECOMMENDED IN THE TOWN'S COMPREHENSIVE PLAN AS DEFINED BELOW; AND TO REPEAL ANY AND ALL OTHER ORDINANCES AND PARTS OF THE ORDINANCES IN CONFLICT THEREWITH.

**WHEREAS** the Town, located in Cecil County, Maryland is a municipality organized under the provisions of the Maryland Constitution and governed under the provisions of the Local Government Article of the Annotated Code of Maryland; and

**WHEREAS** the Town is proclaimed as a perpetual entity with the right to pass laws; and

**WHEREAS** as provided for in the LAND USE Article of the Annotated Code of Maryland, Division 1 titled SINGLE-JURISDICTION PLANNING AND ZONING [Titles 1-13], Title 4 titled ZONING, Subtitle 1 titled POWERS, §4-101 titled STATEMENT OF POLICY establishes as a statement of policy that that the orderly development and use of land and structures requires comprehensive regulation through the implementation of planning and zoning controls and that those controls shall be implemented by local government; and

**WHEREAS** in addition to the above, §4-202 titled ZONING REGULATIONS - ADOPTION; PURPOSES, provides the Mayor and Commissioners with the authority to adopt zoning regulations in accordance with the Town's Comprehensive Plan and with reasonable considerations for, among other things, the character of the district or zone and its suitability for particular uses and with a view to conserving the value of property and encouraging orderly development and the most appropriate use of land; and

**WHEREAS**, the Code of Ordinances of the Town, contains Chapters 12, titled TOWN OF RISING SUN ZONING ORDINANCE which establishes the intent and authority the zoning ordinance to promote the orderly development of the Town of Rising Sun, Maryland, in accordance with the Rising Sun Comprehensive Plan; and

**WHEREAS** in June of 2019, the Town of Rising Sun adopted a document titled TOWN OF RISING SUN COMPREHENSIVE PLAN ("Comprehensive Plan"), with the general purpose of guiding and accomplishing the coordinated, adjusted, and harmonious development of the Town, and best practices for promoting health, safety, morals, order, convenience, prosperity, and general welfare, and shall serve as a guide to public and private actions and decisions to ensure the development of public and private property in appropriate relationships and which shall include any areas outside of the Town boundaries which have been identified as part of the Town's designated growth area. A part of this process is the review and proposal of land use designation to be contained in the Comprehensive Plan and incorporated into the Town's Zoning Code; and

**WHEREAS** while addressing land use designations for the Town's Zoning Code, the Comprehensive Plan recommends residential land use policies that include the development of a hierarchy of residential zones with a range of residential densities and residential types needed to support a variety of housing types by location, character and lot size, with these zones designed to reflect very low, low, medium and higher density development types; and

**WHEREAS**, the Town already has medium and higher density development zones, but does not have any zones to reflect the low and very low rural residential density development already existing in the town's future growth and proposed annexation areas, and therefore suggest the creation of two (2) new residential zones to include an R-E Residential Estate zoning classification that preserves the very rural low density nature and intent of the County's Northern Agricultural Residential (NAR) zoning and a R-R Rural Residential zoning classification that preserves the low density rural residential character and intent of the County's Rural Residential (RR) zoning; and

**WHEREAS** the Comprehensive Plan also recommends commercial land use policies that are consistent with the actual built environment while also establishing a greater range of commercial zoning categories aimed at developing high impact sustainable businesses, with higher paying jobs, while also developing a viable, efficient system of commercial uses and intensities and to further support a range of commercial uses by location, character, lot size, traffic and parking; and

**WHEREAS** the Comprehensive Plan recommends the following new or modified commercial zoning categories to include, "Old Town Commercial Center" or "OTC", "Limited Commercial" or "LC", "Neighborhood Convenience Centers" or "NC", "Employment Center" or "EC" and the "Rural Business" or "RB"; and

**WHEREAS** the Mayor and Commissioners having monitored, supported and fostered the Town of Rising Sun Planning Commission's efforts to update and amend the Comprehensive Plan, have reviewed the finding and recommendation contained therein as a basis for initiating the redefining of existing Zoning Districts and the development of additional Zoning Districts as recommended in the Comprehensive Plan; and

**WHEREAS** the Mayor and Commissioners' proposed changes to the Town's Zoning Ordinance, based on the Rising Sun Planning Commission's finding and work-product, were submitted to the Rising Sun Planning Commission and a meeting was held on these changes by the Rising Sun Planning Commission on \_\_\_\_\_, 2022; and

**WHEREAS** the comments of the Rising Sun Planning Commission on these changes were given to the Mayor and Commissioners for their review and consideration; and
