Swimming Pool Fills

Credits for filling Swimming Pools are limited to 1 per customer in a 12-month consecutive month period (1 per season).

Water consumption is still billed; however, you may qualify for a sewer credit. Must have used a minimum of 1,000 gallons or more of water to be considered for the sewer credit.

How it works

- Complete & Return “Pool Fill Sewer Credit Application.”
- Call Town Hall **BEFORE** you start to fill your pool. Leave a voicemail, especially if starting on a weekend, including your name and street address.
- Then call Town Hall when you **FINISH** filling your pool.
- The sewer credit will then be applied to your next utility bill.

Please call Rising Sun Town Hall at 410-658-5353 if you have any questions.

*The sewer credit is based on your previous month’s average daily use and calculated on the day(s) the water was used to fill the pool.
