

SUN*FEST DAYS RISING SUN

In an effort to promote our town, the Rising Sun Better Business and interested citizens request your support in their planning for our "SUN FEST DAYS", to be held in Rising Sun on September 25 and 26 (Fri & Sat). We plan to have live music, flea markets, refreshments, sidewalk sales, entertainment and possibly an amusement ride for children, in a roped off area on Queen Street between Cherry and Main Streets. We are asking all local businesses to participate in a full page ad in the Cecil Whig which will also help to cover expenses of the affair. We also encourage any suggestions and assistance toward making this a festive occasion to promote our fine little town which we should all be very proud of.

Thank Your

Sun Fest Committee
